SUBMISSION OF CORRECTED FORMAL DRAWINGS

The proposed changes correct an evident omission of reference numbers in Figure 2, and the reference numeral added make consistent the illustrative embodiment depicted in the figure with that of the illustrative embodiment described in the written description at pages 11-13. Support for the changes to Figure 2 can be found, for example, at pages 11-13 of the written

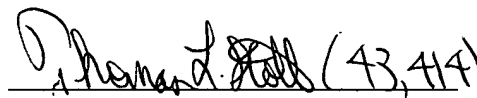

description. Applicants further replaced the portion of Figure 2 that included "shading" with one that does not. No new matter is included in these proposed drawing changes.

Applicant respectfully requests Examiner and Office Draftsperson approval of these proposed drawing changes. Assuming approval of this change, Applicants also submit herewith a corrected formal drawing for FIG. 2 (1 sheet) in connection with this application. Applicants further submit formal drawings in compliance with the objections indicated in the Notice of Draftsperson's Patent Drawing Review regarding the drawing sheets and margin sizes.

If any fees are due in connection with submission of this paper, such as fees under 37 C.F.R. §§ 1.16 or 1.17, then please charge the necessary fees to Deposit Account 19-0733. If an extension of time is necessary that is not accounted for in the papers filed herewith, such an extension is requested. The extension fee also may be charged to Deposit Account 19-0733.

Respectfully submitted,
